WELCOME TO THE MID-ATLANTIC \$500,000

Despite recent threatening weather, the 13th annual Mid-Atlantic \$500,000 is now underway at the Canyon Club Resort Marina in Cape May, NJ. This year 143 world-class sportfishing teams will compete for approximately \$1,500,000 in total prize money -- a record-setting calcutta for the Mid-Atlantic \$500,000! Also, for a second consecutive year, participants can operate out of both Cape May, NJ and Ocean City, MD.

For participants, there's plenty to do at the dockside as well. The "Top" circus-style tent is the gathering point for participants in Cape May where they'll be served cool libations and hot buffet dinners each night while enjoying live music by local bands. Participants in Ocean City will receive enhanced hospitality. "Sponsor's Midway" offers an opportunity to check out the latest fishing and boating gear. You'll also find marine artist Guy Harvey with a large display of his artwork.
