*"The Biggest Name in Charter Fishing"*

## 2009 ABACOS VACATION INFORMATION

Over Under Adventures has chosen to make the Abacos our base of operations in the Bahamas. We put this information package together to explain why we've chosen this particular location and give you a good overview of all the wonderful activities that this part of the Bahamas has to offer. We feel that the Abacos offers a great family atmosphere and is one of the best cruising, fishing, diving and island hopping locations from which to base our charter operations.

### Bakers Bay Resort & Marina

We are happy to announce that we will be basing our operations out of Bakers Bay Resort & Marina on Guana Cay, just across the sound from Marsh Harbour. Bakers Bay Marina opens November 17, 2008 and will be the largest, most modern marina facility in the Bahamas. Bakers Bay has chosen Over Under Adventures to offer Charter Services at the marina. This is exciting news for us and are looking forward to being a part of this brand new facility. Over Under's guests can choose to stay at Bakers Bay, or any of the nearby island resorts. We've highlighted many of these great options below.

## The Islands of the Abacos

The close proximity of all these Islands makes the Abacos one of the best cruising grounds in the Bahamas. All of these Islands are within approximately 15 miles of one another! There is a ferry service to most and day trips on one of our Charter Boats or Tenders to all is possible.

- **Guana Cay** - This is where you will find the brand new Bakers Bay Resort & Marina which is the largest and most modern marina facility in the Bahamas and the base of our operations. Also on Guana Cay is the famous Nippers Beach Bar & Grill.
- **Marsh Harbour** - The "Hub of the Abacos". This is where the airport is located and most of the major stores. Grocery stores are well stocked, the waterfront marina district is full of great restaurants and bars and ferry service is available to all the major islands.
- **Hope Town** - Marked by its famous lighthouse this is one of the most picturesque islands in the Bahamas, one you won't want to miss. Turtle Hill Resort, the Abaco Inn, and Harbour's Edge are all places you worth exploring.
- **Man-O-War Cay** - Directly offshore of Marsh Harbour about 5 miles lies Man-O-War Cay which is the home of the famous Albury Brothers Boats and another can't miss spot, the Sail Shop. Stop in at the Hibiscus Café for lunch.
- **Little Harbour** - Home of the famous Pete's Pub and Gallery. This is yet another one of those places you can't miss. The snorkeling around the area is fabulous as is the scenery on land.
- **Green Turtle Cay** - Green Turtle is home of the Green Turtle Club, Resort and Marina. Another great choice for your Abacos Vacation. Several nice restaurants, bakeries and bars, coupled with more amazing reefs and beaches are what this place is all about.
- **Treasure Cay** - Treasure Cay Hotel Resort & Marina is a full service facility with superb amenities. A 150 slip marina and golf course make this a very unique Bahamas Resort. We can move the boat to Treasure for your vacation should you decide to stay here.

Ferry Service: Daily Ferry Service runs from Marsh Harbour to all of the following islands: Hope Town, Man-O-War, Scotland Cay, Green Turtle Cay and Guana Cay.
